

The Arizona

Overview

The Arizona is a contemporary, open plan home with both formal & informal living areas. With the huge expanse of glass in the family/meals it is designed to bring the outdoors in.

The large sun room/alfresco is perfect for relaxed entertaining all year round.

Features

4 bedrooms, main with ensuite & large walk in robe. Built in full length robes & ceiling fans to all remaining bedrooms. Separate living areas. Gallery kitchen. Dining area. Ceiling fans throughout. Extensive tiled outdoor living area - under main roof. Double lock up garage with remote control door, providing secure entry into the home.
